tench provides an introduction to the current state of functional linguistics studies in the intonation of english intended not only for students of linguistics and english language the book also contains information ideal for consideration by language teachers speech therapists drama students and other professions that rely heavily upon the spoken word

english is an important subject today it is also a difficult subject to teach large heterogeneous classes anachronistic syllabi boring textbooks boringly taught and purposeless examinations demotivate students from taking english seriously at college in the twenty first century there

is a need for professionals to be adept at writing speaking and understanding english because they have to communicate well with native english speaking clients our graduates need to be trained in these linguistic competencies while in college unlock their future a skills based approach to teaching and learning english offers practical methods and strategies for preparing students from the metros as well as the small towns in english language skills required in their professional lives the authors sincerely hope that this book will bring freedom to many english shy students and corporates and make this a standard for teaching of english language contents introduction viney kirpal and shridhar b gokhale spoken english some remarks on the teaching of spoken english and conversational english shridhar b gokhale how much english speech does a teacher need teaching spoken english and the indian teacher sudhakar marathe computer assisted language learning t ravichandran writing skills everything is an argument a thematic approach to teaching the english course sharmita lahiri how i teach paragraph and essay writing viney kirpal reading skills teaching prose prabha sampath reading better and faster viney kirpal note taking skills niloufer aga grammar and word power development teaching of grammar shridhar b gokhale teaching of grammar and vocabulary simon g bernabas enriching vocabulary shirin shaikh teaching language to large classes madhuri gokhale using a dictionary shridhar b gokhale remedial english a case study viney kirpal the testing of language skills shridhar b gokhale english for professional purposes writing emails viney kirpal english for specific purposes

frederik theodor visser s an historical syntax of the english language published in four massive volumes between 1963 and 1973 is certainly one of the cornerstones of research in english linguistics visser s achievements can hardly be overestimated before the advent of modern corpus linguistics he compiled a remarkable wealth of detailed philological data from all periods of english and combined this with current grammatical analyses of his time this has made this publications an indispensable resource for anyone investigating the history of english syntax this reproduction of visser s volumes is more than welcome and timely as the volumes have been out of print for quite some time and were sometimes a little bit difficult to navigate having a searchable and easy to use online version although maybe not perfect available now means a revival for scholarship that celebrates its fiftieth birthday without losing any of its relevance

in tonio son of the sierras charles king presents a captivating narrative that explores the rich tapestry of life in the sierra nevada mountains during the late 19th century through the lens of young tonio the story delves into themes of identity belonging and the transformative power of the natural landscape king s lively prose and vivid descriptions create an immersive experience while the interplay of indigenous culture with settler society showcases a nuanced

understanding of the historical complexities of the american west the book s literary style marked by lyrical passages and keen dialogue reflects the romantic tradition yet is deeply rooted in realism allowing readers to engage emotionally with tonio s journey charles king a prominent american author and military officer drew upon his extensive experiences in the sierra region and his interactions with diverse cultures to craft this compelling tale his background in the military and exposure to the vast expanses of america fueled his fascination with frontier life leading him to create characters that resonate with authenticity and emotional depth king s ability to weave personal and collective histories provides a profound basis for the narrative tonio son of the sierras is an essential read for anyone interested in american literature and the complexities of identity in frontier life king s work not only entertains but also enlightens readers about the challenges faced by those straddling two worlds with its rich character development and evocative settings this novel appeals to fans of historical fiction and those seeking a deeper understanding of a pivotal era in american history in this enriched edition we have carefully created added value for your reading experience hand picked memorable quotes shine a spotlight on moments of literary brilliance interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

throughout this narrative the author combines the historical material with an expert understanding of wilson s ailments to point out ways in which the state of his health changed the course of national and international events originally published in 1981 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905
